

## **Free Speech PSA**

MUSIC:     'REFLECTIONS' by TOSHIHIFUMI HINATA FADE IN

HOST:       Free speech gives the people the right to express themselves in almost  
              whatever way they see fit.

HOST:       Whether it be wearing black armbands to school to protest war  
              (SFX: WAR NOISES, EXPLOSIONS)

HOST:       Or demonstrating minority injustices.  
              (SFX: PROTEST SHOUTS AND CHANTS)

HOST:       It also gives you the right to hateful or offensive speech.

HOST:       No matter your political party, remember, that the first amendment only  
              protects you from government action.

HOST:       It does not protect you from public opinion and the opinion of those you've  
              hurt with your hatred.

HOST:       This message is brought to you by the n-a-b education foundation and the  
              broadcast education association.
